### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: Upon a complete review of the entire written record the instant application is in condition for allowance. The exposure method claimed in the instant application utilizes the novel, and patented, scattering reticle of the parent application. The prior art of record does not show, teach, or suggest the claimed reticle used in the exposure method of the application. The reference cited on the form PTO-892 is the patent issued to the parent application. It is listed to complete the record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher G. Young whose telephone number is 571-272-1394. The examiner can normally be reached on Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mark F. Huff can be reached on 571-272-1385. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
